

Kimball High School Prom Walk

The residents gathered after supper on April 21st to see many of the Kimball High School students all dressed up and headed to prom. The students received '50s cars and record sugar cookies for coming in, and three lucky students (Madison Wynne, Kate Reader, and Christian Van Pelt) won larger door prizes, including \$10 worth of Chamber Bucks and a KCM canvas camping chair and backpack!

Thank you to all the high school students who came in to show off their beautiful dresses and fancy tuxes!
