

# **May Employee of the Month**

Our May Employee of the Month is Helen Vandewater! Helen is the Kitchen Manager.

Helen is a wonderful asset to the Kitchen and KCM. She not only cares deeply for the residents, but the staff, too. Helen goes above and beyond to keep the kitchen running as smoothly as possible so the residents are taken care of. She is also doing extra schooling outside of work to better her knowledge. Helen is always there when we need her for mental support or to fill in shifts. We all love her!
