

National Skilled Nursing Care Week

National Skilled Nursing Care Week began on Sunday May 13, 2018. This year's theme was 'Celebrating Life's Stories'.

We celebrated Mother's Day with a Tea Party! The residents enjoyed a variety of herbal teas and some little apple pies.

Monday May 14th, we had a Portrait Session. The residents even had their hair and makeup done by a local hairdresser! We really appreciate Holli Bohac from A Shear Touch of Downtown Studio coming in to get our residents all dolled up! Holli also had little help from our Dietary Manager, Kim Christiansen. Thanks Kim!

Tuesday May 15th was our Volunteer Luncheon. We celebrate our many volunteers each year with a luncheon during NSNCW. We can't thank them enough for their dedication to our residents. There is no way that the Activity Department could do everything without them!!! The volunteers enjoyed a fried chicken meal, provided by the kitchen. After the luncheon, residents had a great time playing Bingo!

Wednesday May 16th was a Senior Social in Mitchell, NE. Staff went along with some residents up to Mitchell Fairgrounds to listen to the music of Freddie Marquez. We enjoyed the music, yummy snacks, and loved watching everyone dance! The residents who stayed home were entertained by Bernita Brown reading some of her stories!

Thursday May 17th was Happy Hands! The residents love coming in to get their nails painted and listen to the latest gossip. There was also an Honor Flight for Korean War and WWII Veterans that came through Kimball in the afternoon. A couple of the residents from Assisted Living went to thank the Veterans for their service to our country.

Friday May 18th was Bingo!! We celebrated this week with quarters!

Saturday May 19th was a special Around the World with Jamie and Matt Bright presenting their recent trip to Europe! We all loved to see the amazing photos and hear about the details of the trip.
